

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

TC205 workshop
@the XVI Panamerican Conference on Soil Mechanics and Geotechnical Engineering

CALL FOR ABSTRACTS

Date: November, 20th, 2019

Location: Cancun, Mexico

Description

ISSMGE-TC205 (Safety and Serviceability in Geotechnical Design Technical Committee) will hold a TC workshop at the XVI Panamerican Conference on Soil Mechanics and Geotechnical Engineering in Cancun, Mexico, focusing on the following topics:

- Load and Resistance Factor Design (LRFD) in geotechnical engineering;
- Development and assessment of design codes;
- Impact of climate change on safety and serviceability in geotechnical design.

Presentations with or without an accompanying paper will be considered.

Submission

Please submit an abstract of up to 200 words for your presentation to issmge.tc205@gmail.com before December, 1st, 2018.
