24 May 2020

To All ISSMGE Corporate Associates

Dear Corporate Associate

CALL FOR ABSTRACTS FOR CAPG PARALLEL SESSION 20th ISSMGE INTERNATIONAL CONFERENCE, SYDNEY, 2021

CLOSING DATE 30 JUNE 2020.

The 20th International Conference on Soil Mechanics and Geotechnical Engineering will take place in Sydney, Australia, from 12th – 17th September 2021. At this conference, the Corporate Associates Presidential Group (CAPG) will host a 2 – 3 hour parallel session entitled

Innovations and Achievements in Geotechnical Engineering Practice.

The organisers of the conference have kindly granted the CAPG an allocation of 15 papers to be presented in this session and published in the conference proceedings.

Invitation

As a Corporate Associate, you are invited to submit an abstract of a paper dealing with innovations and achievements in geotechnical engineering practice. All abstracts received will be peer reviewed by the CAPG and the authors of the 15 best abstracts will be invited to prepare a paper for presentation during the CAPG session at the conference.

Submission Requirements

Only abstracts from paid-up members of the ISSMGE CAPG will be accepted for inclusion in the CAPG session in Sydney.

Papers must be technical in nature and must deal with achievements and innovations in the geotechnical engineering practice. These could include outstanding geotechnical projects, new equipment, techniques, products or applications. Papers that contain overt advertising material will be rejected. Company names and brand names may be used, but not repeatedly or in a laudatory manner.

ISSMGE Secretariat, City University of London, Northampton Square, London EC1V 0HB UK Tel: +44 20 7040 8154; Fax: +44 20 7040 8832; E-mail: secretariat@issmge.org

The authors of accepted abstracts will be expected to present their paper during the CAPG session at the conference.

All abstracts must conform to the following requirements:

- Abstracts must be written in English or in French.
- Abstract submissions must include abstract title, author(s)' name(s), affiliations, up to five keywords, and the presenting author's biography (up to 150 words).
- The abstract body, including any references, should be in text only and should not exceed 250 words.
- Abstracts must deal with innovation or achievements in the geotechnical engineering industry.
- Abstracts must be received by 30 June 2020. Abstracts received after the deadline will not be considered.

Abstracts to be submitted to the Chair of the CAPG by email to day@jaws.co.za on or before 30 June 2020.

Timetable

Abstract submission	30 Jun 2020
Authors notified	15 Aug 2020
Paper submission	Dec 2020.

Awards

At the conclusion of the session, two awards will be made for the achievement and innovation adjudged by the audience to have made the most significant contribution to geotechnical engineering practice.

We look forward to receiving your abstracts and welcoming you to the CAPG session in Sydney.

PETER DAY AND SUKUMAR PATHMANANDAVEL
Co-chairs of the CAPG
